

Wednesday Wonder - October 2016

THIS PROJECT WILL MAKE:

18 cards in 3 different designs

Supplies Needed:

Stamp: Crazy about you

Ink: Tempting Turquoise, Melon Mambo, Emerald Envy

Card Stock : 9 x Thick Whisper White, 1 x Tempting Turquoise, 2 x Melon Mambo, 2 x Emerald Envy, 1 x strip of Whisper White 1/2" by 11-3/4

DSP: Festive Birthday

Tools & Adhesive : Liquid Multipurpose Glue or fine tip glue, Fast Fuse or Snail, Stampin' Dimensionals, Stamp-a-mi-jig (optional), Bone Folder, piercing tool, Stampin' Trimmer, Big Shot machine.

Dies : Hello you Thinlits

Accessories : Brights/2016-2018 in colour/Regals Enamel shapes. Clear Wink of Stella Brush.

INSTRUCTIONS:

1. Cut the Whisper white sheets to 11-1/2 x 8", score them at 4" on the 8" side and then cut on the 11-1/2 side at 5-3/4.
2. Cut the Melon mambo card stock so you have 8 @ 5-3/4 x 1-3/4" layers, cut the Emerald Envy piece so you have 6 @ 3-3/4 x 2-1/4 cut the Tempting Turquoise so you have 4 @ 3-1/4 x 3-1/4.
3. Use the rest of the Coloured card stock to die cut the greetings. You need 6 of the "Happy" in Emerald Envy, 8 of the "You" in Melon Mambo, and 4 of the "Thanks" in Tempting Turquoise. Cover all in Clear Wink of Stella and leave to dry.
4. Cut the whisper white 1/2" strip so you have 4 measuring 2-3/4" and stamp "For being You" using Tempting Turquoise ink. flag the ends with the Triple banner punch or by snipping them with scissors. Place dimensionals to the back of these strips.
5. Cut the 12x12" DSP making sure you cut the paper in the right direction, using the cutting Template.
6. Glue all the DSP panels to the Card stock layers.
7. Attach the layers to the card, using the photos or video for reference.
8. Attach the die cuts to the relevant cards.
9. Stamp the greetings on the Melon Mambo and Emerald Envy cards. Use the Stamp-a-ma-jig if your not too confident or need help lining it up.
10. Attach the flagged Whisper White greetings to the Tempting Turquoise card.
11. Attach the Enamel Shapes across the cards, Mixing and matching as you go.

Cutting Template

3-1/2 X 2		3-1/2 X 2		3-1/2 X 2		3-1/2 X 2		3-1/2 X 2		3-1/2 X 2	
1-1/2 X 5-1/2		1-1/2 X 5-1/2		1-1/2 X 5-1/2		1-1/2 X 5-1/2		1-1/2 X 5-1/2		1-1/2 X 5-1/2	
3 X 3				3 X 3				3 X 3
